

# Environmental School Project 2021-2022

Creating a better life for the many people and the local community

## Introduction and brief!

We are inviting local schools to create an environmental/Sustainability project in the Doncaster and district area for children in school years 1-6. The budget is up to £2000 per school. IKEA will choose 3 finalists who will be invited to the IKEA site in Armthorpe to present their project in a "Dragon's Den" style day for the selected school. The project must be based on Sustainability and the environment and involve one of the following focus areas.

- Biodiversity
- Transport reduction
- Energy reduction
- Water saving
- Waste reduction
