

Bring the dirty dishes to the sink.

twinkl.com

Start to fill the sink with hot water. Add a little cold water so that it is not too hot.

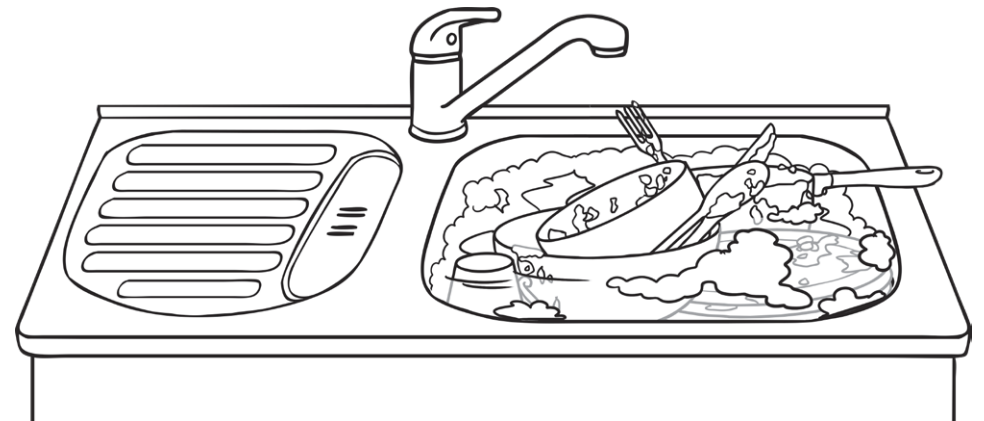

twinkl.com

Add a small drop of washing-up liquid into the water.

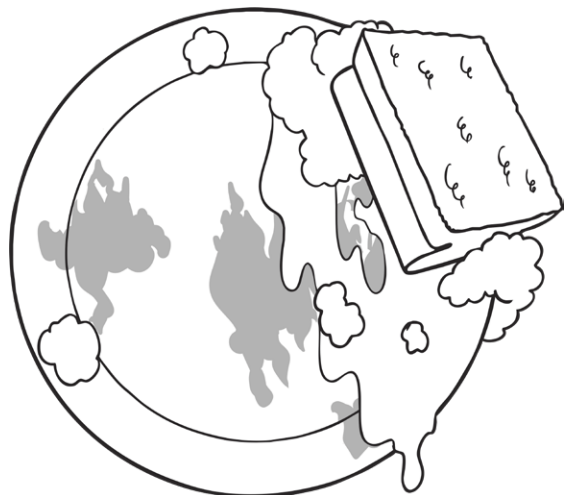

twinkl.com

Place the dirty dishes into the water, under the bubbles.

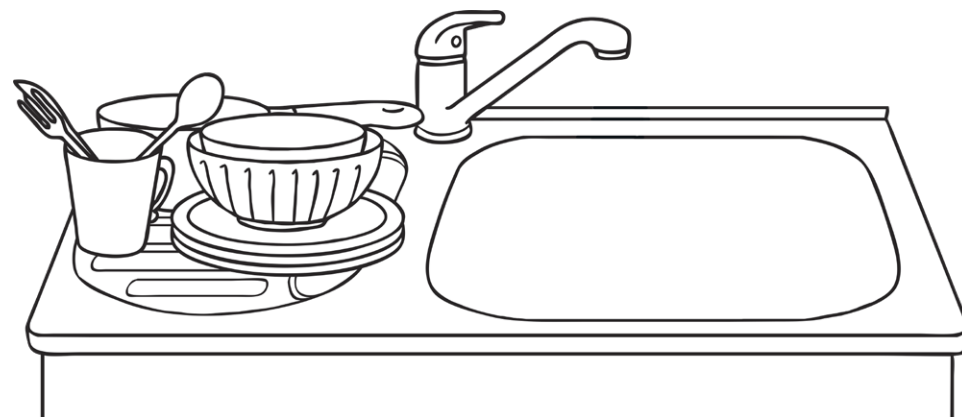

twinkl.com

Dip a sponge or cloth in the soapy water and wash the dirty dishes.

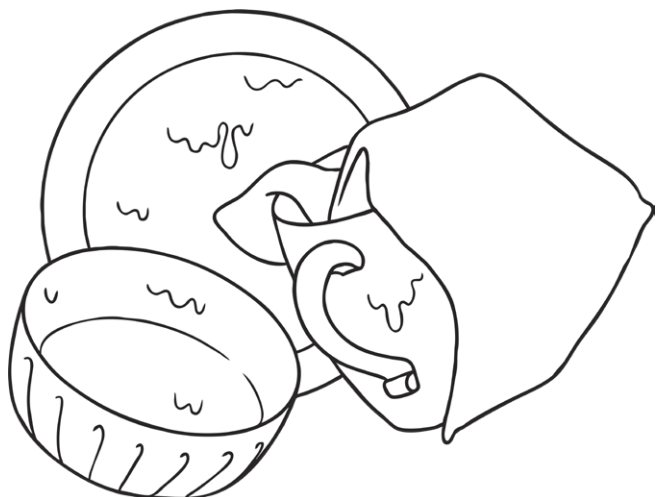

twinkl.com

Stack the clean dishes on the side of the sink to let the water drain off them.

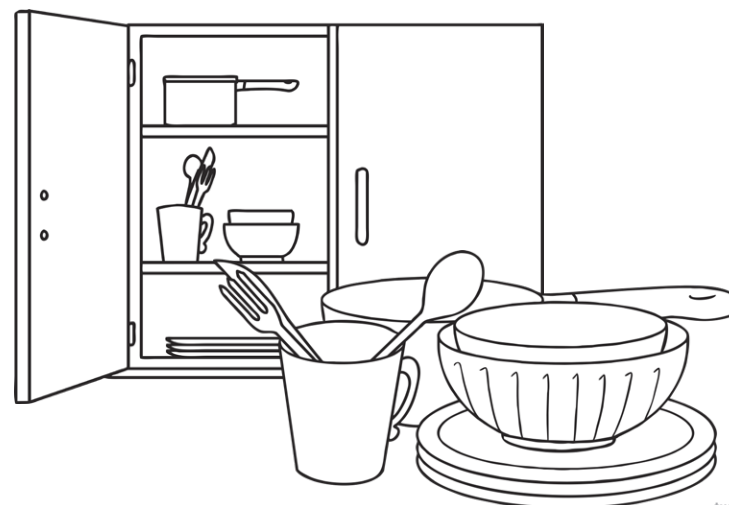

twinkl.com

Use a tea towel to dry the clean dishes.

twinkl.com

Put all the clean dishes into the cupboard.
